

Mob Machine: how a payment moves

Source: docs/PLAN.md §4 Funding a card, §5 Business model; docs/specs/money-logic.md; docs/specs/refunds-and-holds.md
All cash sits in one Stripe balance until paid out. The split below is ledger accounting in the database, not separate bank accounts.

Supporter Agents / pool Studio Reserves Stripe / system Reversal

Whether the 10% reserve is taken before or after Stripe's fee is not stated in PLAN.md §5; this chart follows the order in §4 Funding a card.
